### Application/Instruction of use:

Disposable wet wipes, with a pleasantly cleansing and moisturizing effect.  
The wipes are manufactured in a very soft quality, which feels soft on the skin.  
Due to the big size it is suitable for many different tasks, from hand washing to bed bath.  
The wipes remove perspiration and bad odors. A good alternative to water and soap.  
This product should only be used externally on the body, avoid contact with eyes.

### Packaging:

Inner packaging: PE foil  
Transport carton: Cardboard
